

Evangelist's Method 2

Correct Healing

Acts 19:8-20

[Introduction]

Look at this age. At this moment direction for correct healing comes out.

1. Age of surge in the sick (mental disease, sickness of the heart) → however, churches have no countermeasures.
2. Age of confusion in healing → various transcendental meditation organizations, religions, and heal teams arise and cause confusion.
3. Age of disasters in people → they are groaning due to hidden problems (6 states of an unbeliever).

[Main Body]

1. It is an urgent age of spiritual healing.

- 1) Spiritual disease – healing does not take place unless healing from 12 life problems arises.
 - ▶ 12 life problems → fundamental problems (Gen 3, 6, 11), long-standing problems (Acts 13, 16, 19), problems of personal destruction (6)
- 2) Disease of the mind → diseases of minds and thoughts follow if spiritual problems are not healed.
- 3) Disease of thoughts

2. As holistic healing takes place, all regions can be saved.

- ▶ What is holistic healing?
 - 1) Healing of imprint → only Christ

- 2) Healing of root → only the kingdom of God
- 3) Healing of nature → only the Holy Spirit

3. There is God-given concentration point of healing.

- 1) God's Word → in order for the Word to be applied and fulfilled in me (meditation, recitation, transcription)
- 2) 24-hour prayer → God being with me 24 hours (Mark 3:14, Matthew 28:20, Psalms 23:1-6, 1 Corinthians 15:10)
- 3) Life's 24-hour point → concentration (have the deep time by myself before God.)

4. Prayer topic → Healing School

- 1) Healing fields appeared in the Bible → Acts 3:1-12, Acts 8:4-8, Acts 13, Acts 16, Acts 19
- 2) Remaining in the healing fields of the Bible → healing of a family + healing of a church (communication) + healing of adaptation (headquarter) + healing of a field (life)

[Conclusion] Possess spiritual power (deep time).

- ▶ I should gain spiritual power first. And help out to be liberated from 12 problems one by one.
